Subject: - Letter of Introduction for provision of security services

Respected Sir/Madam,

1. We are taking this opportunity to humbly introduce our company which is growing rapidly, professionally managed, private security agency offering complete solution of security related issues, from security surveys to installation and operation of hi-tech security systems at competitive prices.
2. At present our company is providing services in and around Nagpur, Maharashtra and industrial area of Butibori, Hingna, Saoner, Wardha, Amravati, Akola also. Our clients include Steel/Metal industries, Alloys industries, Plastic industries, Distilleries industries, Hotels, Malls, Multiplex, Education institutes, Milk dairies.
3. Government of India has now made it mandatory to impart 160 hours of training proposed to employed as security guards. To meet this requirement, we have attached the certificate for guard training from Institute of Industrial Security Management and Research as proof.
4. Our rates are based on minimum wages prescribed by the government and other essential liabilities to be discharge as per prevalent rules and regulations.
5. We are sanguine to get this opportunity offered to us to provide you with our services. If given a chance we will prove that our company abides by our quality statement. Clients total satisfaction shall remain our first and foremost concern always and everywhere.
6. Along with providing security services, we can also provide labours to fulfill your other needs. Make no mistake this does not diverge us from the goal of providing ultimate security, but increases our range of provisions.
